Setbacks: Wound

"The Man of Many Masks", a title bestowed upon Cheshire while in the circus, was about the only thing he cherished about being in the circus. If he was fully honest with himself he loathed each and every person or thing in that freak show. Running away from home to join the circus is possibly the dumbest and most dangerous thing a young person can do, those who ended up dead were the lucky ones in his opinion. While she does not appear to be terminal she is bed ridden. Local doctors are unable to diagnose what this could possibly be. Cheshire is constantly on the look out for leads to a cure, whether it's modern medicine or something a bit more mystical, a lead is still a lead. Typically a loner, Cheshire will travel with a group if he finds it beneficial for him. Should the group ever stay away from his end goal he has no problem with heading seperate ways(...)
