## History

Birthplace: Taol-Kaer - Dukedom of Tulg - Rural

Social class: Peasant

Setbacks: Solitude

Ada was born to a happy family of farmers in a frontier village. Always curious about the world, she spent her teenage years away from work, wandering the local forests and harassing the bards for stories. This habit saved her life: when she was 17, Ada followed a caravan for several days, engrossed in a varigal's stories. When she came back home, a strange plague had decimated every living soul, leaving behind bloated corpses. She vowed to discover what had happened to her family, and started to travel around the Peninsula looking for similar phenomenons.

## Mental health
