History

Birthplace: Gwidre - Region of Gorm Caladh - Urbain

Social class: Nobility

Setbacks: Rumor

Daughter of a rich noble family, Moira always had more affinity for plants than humans. Happy to stay at home and away from people, she spent her teenage years tending to her garden, and reading books in her family's sprawling library. When she turned 20, despite her vocal protests, Moira was engaged to a young man from a fellow noble family. Luckily for her, he passed away from illness before the marriage could proceed. However, his suspiciously convenient death lead her entourage to wonder if she hadn't poisoned him. To escape the rumors, Moira decided to leave her family's home to follow the trail of legends she read as a girl, and maybe find a story she could write about herself.(...)
