## History

Birthplace: Gwidre - Region of Expiation - Urbain

Social class: Nobility

Setbacks:

When he first started practicing medicine he would perform unnecessary surgeries to pad his pocketbook. He would tell people they needed operations or they would die. A patient once over heard him talking to himself about his schemes while in his waiting room unbeknownst to Doogie. The patient then broke in to the office and beat him within an inch of his life. Doogie was banished from the city and he bought chainmail, crossbow, and a short spear for self protection. He now claims to be a doctor without borders to unknowing potential patients. He travels from town to town trying to make an immoral buck.
