Social class: Craftsman

Setbacks: Rumor - Violence - Solitude

Clan was wiped out, while he was gathering resources. Feondas were blamed, but it was people. Powerful people. Has been on the run after attempting to bring the truth to authorities. Never staying anywhere for long. For a while followed a Varigal who saw a potential apprentice, but they quickly came to mutual realization that it was not a good match. Makes a living primarily from creating and selling maps. Some of these are of places personally explored, others are special requests to find rumored places or document areas of some interest. Occasionally, he gets hired on as a guide.
