## History

Birthplace: Reizh - Region of Iolarnead - Rural

Social class: Peasant

Setbacks:

Growing up a typical kid within the Tarish community, Lo is currently on her "gap year" aka the Voyage: a one-year trip Tarish youth in her community take, traveling the continent and learning of its people before choosing to return "home". Lo's about halfway through her trip and enjoying it, ignoring the guilt that comes from leaving her parents and little sister at home alone. She's proud of her people and despises the cities, and yet is conflicted on returning home. It's so boring and familiar there, with responsibilities and expectations. She's an explorer at heart, can't she just travel forever?
