Birthplace: Taol-Kaer - Dukedom of Gorm - Urbain

Social class: Craftsman

Setbacks: Rumor - Tragic Love

Liet married young to a travelling merchant who took her from her small town and brought her to the city. 8 years and 2 kids later, Liet runs a quiet but successful seamstress business with her husband. With money coming in regularly, and a happy family to care for, why is Liet so miserable? Does she miss her past or is she afraid it'll catch up to her when she least expects it? Something has to change, because Liet feels like the oxygen is slowly leaving the room and the city is continuing on without her.

He saw her beauty and wild spirit and knew he had to have her, wooing her persistently with charm and compliments and beautiful gowns. Flattered, she gave in to what she thought was a passing fling that became much more permanent when she discovered she was pregnant. Persuaded with thoughts of "true love" and "family", she agreed to marry him and leave her home behind. Only once settled in the city with a baby in her arms did the sad reality start to sink in: Avidé truly loved her, but she did not love him. Rumors still flutter around the block about the merchant(...)
