Nikolaï is a Tarish orphan raised by the Temple of the One as a Sigire. He seeks the truth about his past and heritage, but is also loyal to the Temple. A nasty bout of chimerical fever in his childhood badly damaged his hearing. Nikolaï was sent on an investigation of the area around Cairns' Island. He was shipwrecked and only survived by drinking from the Fool's Spring. In doing so, he believed he received a revelation from the One. Nikolaï believes the Kraken is the One's physical manifestation (the hexcelsis represents his many tentacles and the cold of the One is the cold depths of the ocean) and seeks to reform the Temple through the introduction of ritual baptism in the Fool's Spring. Currently, he is monitoring potential threats to the Temple while disguising himself as a Varigal.(...)
