Nikolaus was born in Gouvran. His father Moreg was a tinkerer of sorts who created small metal items. Nikolaus was fascinated by the high skill his father had and the precision with which he worked his items. Some of his works had mechanical parts that fascinated Nikolaus in a particular way but he realized early on that he lacked in creativity what his father seemed to have in abundance. Still the boy he showed a keen reasoning and his parents saw no better place for Nikolaus than to send him to the monastery of Gouvran for

studies.
