Abandoned by her parents, Cora spent most of her early childhood in an Orphanage. When she was 10 she was adopted by a wealthy noble suddenly and unexpectedly. He seemed sickly with a strange cough. Unbeknownst to her he adopted her to use her as a family member willing to sign an addiction contract with the Hospital in the Ash Yard. She didn't understand what she was signing and lost her new father as she was again abandoned to 7 years of medical testing. Escaping at last she met a Varigal who taught her not only her skills as a guide and traveler but also a cause to fight for. She now serves as an agent of the Cabal of Seven Lords and underground cult seeking to destroy the church and the king.(...)
