Born to a middle-class family, consisting of a Tarish craftsman father ans a continental mother, Lena grew up in the Bauld-Rauch capital area and lived comfortable. When her parents died under Mysterious circumstances at 10, an aristocratic benefactor stepped in as her sponsor, reveling that her mother was a spy. The benefactor dangled the idea that if she so chose, she may be able to find out why her parents died. She decided to follow in her mother's foot steps and was subsequently trained.
