Revers:

Chane the young boy of of two members of the lumière sur le feu a dazzling circus specializing in the amazing people with tricks of fire, Chane was particularly good and contortionist and high wire walking, one day as a when he started to hit his growth spurt he snapped the wire falling into a flaming net burning his back with a net pattern, this caused his parents to scold him for failing, this caused chanes constant desire for approval from any one who would provide it. This began the period in time where chanes parents used him to start stealing the towns tax collectors, chane finally felt accepted getting the approval of his parents and more importantly the ring leader père lumière, every night father light was so gracious to him when he got the money père lumière gave him an extra loaf(...)
