Born into a family of craftsmen. As a teenager, he decided to leave his hometown and the family business and go out into the world. He became a member of a traveling circus. After a year he left the circus to strike out on his own. He was hired as a bard by a nobleman.

After the mysterious death of him and his family, Flynn returned back home. (Since leaving the family business, he is treated as the

black sheep of the family)

Faits marquants: Rumor has it that Flynn help by the nobleman's murder. In any case, this is apparently also the reason why he started drinking.
